Additional text if wanted -

The Scholastic Book Fair is coming to our school Tuesday September 3rd – Monday, September 9th. Share the excitement! This is a great opportunity for students to choose books independently! Studies show kids read more when they choose books for themselves. Fostering a love of independent reading leads to a wide variety of benefits – including academic success and improved mental health!

The Book Fair is open on campus for students to purchase books during lunch time and after school. Students can use cash, debit cards, tap to pay, or Scholastic Book Fair eWallet. eWallet is a digital payment option you can set up for your child to shop at the fair. More details are on our school's Book Fair home page: <https://www.scholastic.com/bf/johnmuirmiddleschool4>
